

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

JOHN HEYKOOP d/b/a EAGLE TOWING,

Plaintiff,

CASE NO. 1:18-CV-632

v.

HON. ROBERT J. JONKER

FIRST LIEUTENANT JEFFREY WHITE;  
FIRST LIEUTENANT CHRIS MCINTIRE,

Defendants.

\_\_\_\_\_ /

**ORDER**

Defendants moves for a 60-day extension of Case Management Order deadlines. Plaintiff opposes the request. The Court does not find good cause for an extension. There is still time to take Plaintiff's deposition before the existing Case Management Order deadline. And Defendants do not identify anything else they want to accomplish in discovery. Settlement talks can and should continue regardless of where the parties are in the Case Management Order schedule.

Accordingly, Defendants' motion (ECF No. 37) is **DENIED**.
